- Hi, I'm Chris Croft and welcome to this assertiveness course. Assertiveness is incredibly important, because it underpins everything you do, every interaction you have with other people, both at home and at work, whether it's one to one, in meetings, or with groups of friends. If you think about it, leadership requires assertiveness, time management also requires you to be assertive.

The Russo-Georgian War was a war between Georgia, Russia and the Russian-backed self-proclaimed republics of South Ossetia and Abkhazia. The war took place in August 2008 following a period of worsening relations between Russia and Georgia, both formerly constituent republics of the Soviet Union. The fighting took place in the strategically important Transcaucasia region.

Russo-Georgian War - Wikipedia

Victimisation (or victimization) is the process of being victimised or becoming a victim. The field that studies the process, rates, incidence, effects, and prevalence of victimisation is called victimology
