The Origin of the Space Gods: Ancient Astronauts and the Cthulhu Mythos in Fiction and Fact By Jason Colavito Many have noted the apparent similarities between the horror fiction of 1930s writer H. P. Lovecraft and the ancient astronaut theories promoted in the work of Erich von Daniken and the History Channel's Ancient Aliens series. In 2005, Jason Colavito's The Cult of Alien Gods proved that ...

The video game crash of 1983 (known as the Atari shock in Japan) was a large-scale recession in the video game industry that occurred from 1983 to 1985, primarily in North America. The crash was attributed to several factors, including market saturation in the number of game consoles and available games, and waning interest in console games in favor of personal computers.

Treasure hunting is the physical search for treasure. For example, treasure hunters try to find sunken shipwrecks and retrieve artifacts with market value. This industry is generally fueled by the market for antiquities. The practice of treasure-hunting can be controversial, as locations such as sunken wrecks or cultural sites may be protected by national or international law concerned with ...
