Wyoming is where the untamed spirit of the West and majestic natural beauty open your mind and invigorate your senses to release your own inner freedom and sense of adventure. For some, adventure may mean taking the kids camping in Yellowstone National Park or visiting a rodeo for the first time. For others, it could be conquering one of the most difficult mountain climbs in the West.

The history of the Internet begins with the development of electronic computers in the 1950s. Initial concepts of wide area networking originated in several computer science laboratories in the United States, United Kingdom, and France. The U.S. Department of Defense awarded contracts as early as the 1960s, including for the development of the ARPANET project, directed by Robert Taylor and ...
