The Semantic Web is an extension of the World Wide Web through standards by the World Wide Web Consortium (W3C). The standards promote common data formats and exchange protocols on the Web, most fundamentally the Resource Description Framework (RDF). According to the W3C, "The Semantic Web provides a common framework that allows data to be shared and reused across application, enterprise, and ...

50. Q: If people want to assess their own abilities as leaders, how do you suggest they get started? A: In our research we've learned that the behavior leaders struggle with the most is "I ask for feedback on how my actions affect the performance of others." It's something everyone finds difficult, so just asking the question about getting started is a big step forward.

With this post we begin a monthly discussion of The Cosmic Doctrine by Dion Fortune, which I consider the most important work of 20th century occult philosophy. Climb in and fasten your belts; itâ€™s going to be a wild ride. As noted in earlier posts here, there are two widely available editions of The Cosmic Doctrine, the revised edition first published in 1966 and the Millennium Edition ...

Folk music includes traditional folk music and the genre that evolved from it during the 20th-century folk revival. Some types of folk music may be called world music. Traditional folk music has been defined in several ways: as music transmitted orally, music with unknown composers, or music performed by custom over a long period of time. It has been contrasted with commercial and classical styles.
