

walk without feet fly pdf

A subset of the base on balls, an intentional base on balls (IBB) or intentional walk is when the pitcher deliberately pitches the ball away from the batter in order to issue a base on balls. As with any other walk, an intentional walk entitles the batter to first base without liability to be put out, and entitles any runners to advance if forced.

The infield fly rule is a rule of baseball that treats certain fly balls as though caught, before the ball is caught, even if the infielder fails to catch it or drops it on purpose. The umpire's declaration of an infield fly means that the batter is out (and all force plays are removed) regardless of whether the ball is caught.

Scott G says... I have used 'Wild May' fruit fly bait to attract the males flies. The trap caught lots but my fruit was still infested. I had read that the male traps don't have much effect in an suburban area where fertilized female fruit flies can still find their way to your trees from neighboring properties.
