Puppetry is a form of theatre or performance that involves the manipulation of puppets – inanimate objects, often resembling some type of human or animal figure, that are animated or manipulated by a human called a puppeteer. Such a performance is also known as a puppet play. The puppeteer uses movements of her hands, arms, or control devices such as rods or strings to move the body, head ...

his whole thing with the Illuminati and a Shadow Government may be unreal to many people, but stay with me for a while and give it a chance. I encourage you to read this introductory, over-viewing article before you read anything else from this website, unless you are already familiar with the Illuminati.

Development. Beginning development after Shadow the Hedgehog, Sonic the Hedgehog was meant to be a rebirth of the series, the idea emerging from the question "What if Sonic the Hedgehog existed in the real world?", and was intended to take elements that people had praised in the preceding Adventure titles and bring Sonic "back to his roots." Nothing pointed more to the idea of using this game ...
