Why is it so dangerous for underground bunkers to be made from shipping containers? I bet you were thinking that I was about to give you plans about how you should dig a hole for a cheap underground bunker with a door to be used for a simple SHTF/TEOTWAWKI survival bunker. Well, you're wrong.

Why you shouldn't bury shipping containers for bunkers

A portable source of light probably started with a cave man carrying a burning stick of wood. There have been many portable light sources based on burning something. Once the dry cell battery became available flashlights became more popular than they were when a lead acid or other wet battery was needed.
