Motivation is the reason for people's actions, willingness and goals. Motivation is derived from the word motive which is defined as a need that requires satisfaction. These needs could also be wants or desires that are acquired through influence of culture, society, lifestyle, etc. or generally innate. Motivation is one's direction to behavior, or what causes a person to want to repeat a ...

It is worth noting that 900 MHz, 1800 MHz and 2100 MHz are excluded from the current analysis as legacy networks operate on that spectrum. Although a refarming process might be expected in the long-term, at this point we do not have any evidence to suggest that these bands will be available for future rollout or indeed 5G networks during the period examined in this study.

The cost, coverage and rollout implications of 5G

This is a good example where the data are all aligned -- fintech and healthcare are the largest markets with the highest margins and the most representation among both unicorns and AI startups.
