Lowder, S.K., Skoet, J. and Singh, S. 2014. What do we really know about the number and distribution of farms and family farms worldwide? Background paper for The State of Food and Agriculture 2014.

What do we really know about the number and distribution

This page provides links to several Installation Details. These details show the installer what the finished installation should look like for various components of the irrigation system. They are essentially a statement of expected quality. Not all of these details drawings will apply to every irrigation system. Use them as a guideline.
